

Translation of
Certificate of Conformity

No. 92246

In compliance with **Art. 20 Abs. 2 Nr. 2** of the **Bayerischen Bauordnung** (BayBO) in the version of the announcement from 2007-08-14, is stated conformity of the construction products

Lattice girder B500A as „rigid reinforcement“

made out of cold-rolled, ribbed and plane reinforcing steel • Diameter 5,0 mm to 14,0 mm

produced in the factory

FERT a.s.

P. Bezruč 447/14

PSČ 392 01 Soběslav II

Czech Republic.

The results of the factory production control and the performed external quality control by the notified inspection body (code BAY02)

TÜV Rheinland LGA Bautechnik GmbH

are conform to the provisions in the Bauregelliste A part 1 edition 2016/2, No. 1.4.4 established technical rules

DIN 488-5:2009-08, DIN 488-6:2010-01 and additional DIN 488-1:2009-08

The producer is authorised to mark the above mentioned construction products according Art. 20 Abs. 4 of the BayBO with the conformity sign (Ü-Zeichen) corresponding to the „Bauprodukte- und Bauartenverordnung (BauPAV)“.

The following **factory code** is determined for the factory and the mentioned construction product: **1/33**

This certificate replaces the certificate with the same number, issued on 2017-02-24 and remains valid as long as the factory production control is carried out continuous, latest till 2023-04-09.

Nuremberg, 2018-04-09

Dipl.-Ing. (FH) Günther Jost
